

SC22/WG15 N____
SC22/WG15 US TAG N643
July 19, 1999

U.S. Action Item Report

9901-02 U.S.

Send the appropriate document corresponding to 22.21.03.02 Batch Services {2d/15a} to ITTF for publication. SC22 N2232 refers as the ballot summary. (OPEN until receipt by ITTF is confirmed.) (Rolled over from 9705-40, 9710-12, 9804-04) --

CLOSED - *New DIS has been initiated and closes in September, 1999.*

9901-05 U.S.

Forward the appropriate draft of CD 13210 Test Methods, when available, to the SC22 secretariat for DIS ballot. (rolled over from 9710-41, 9804-10.

CLOSED - *FDIS 13210 ballot in progress.*

9901-08 All Member Bodies

to review and Comment on N768 (LIS Techniques) by August 1. (rolled over from 9804-24) -- OPEN (comments received from all but US, remains open for US input)

CLOSED - *Comments were submitted*

9901-09 Convener and US

to suggest that material being developed for P1494 and ISO 14766 is ready to become a draft document; and has been jointly developed. An appropriate copyright statement needs to be developed for such drafts. (rolled over from 9804-26) -- **OPEN**

9901-16 All Member Bodies

Nominate candidates for membership in the REV Rapporteur Group

CLOSED - *The US nominates Don Cragun to the Rapporteur Group for REVising 9945-1 and 9945-2 (REV)*

9901-17 All Member Bodies

Nominate candidates for membership in the RPC Rapporteur Group

CLOSED - *The US nominates Roger Martin to the Rapporteur Group for Procedures and Coordination.*

9901-18 All Member Bodies

Review FCD 14651 (SC22 N2844) on sorting, and FCD 14652 (SC22 N2869) on cultural conventions (locales), and submit comments by 1 April 1999 to the WG20 Liaison (Keld).

CLOSED - *The US had no comments.*

9901-19 US

Have the US development body call a meeting of the P1494 working group for the two days immediately preceeding the next WG15 meeting that is co-located with PASC, and reserve a room for that P1494 meeting.

OPEN - *The meeting was not held.*

9901-20 US

Have the US development body provide electronic copies of the current source text of P1003.18 and P1003.23, and make those electronic copies available to the P1494 editor (Keld Simonsen) by 1 March 1999.

OPEN - *P1003.18 has not been provided. The US expects to provide P1003.23 by the end of July, 1999.*

9901-21 UK & US

Identify resources available to progress IEEE Std 1003.23 as an ISO fast track, and recommend the appropriate course of action for progressing this document.

CLOSED - *The US requests the Convener poll the MBs (straw ballot) to determine if sufficient support exists*

for fast tracking IEEE Std 1003.23.
